» "Have you hugged your gargoyle today?" Notre Dame meets Wolfsburg with "Phantoms," a rolling wire-armature sculpture utilizing VW Beetle running gear. Artist W.T. Burge has put more than 5000 miles on his creation. "Everywhere you drive, people take photos," says Burge, "especially on the Sunset Strip in Hollywood. Hundreds of flashbulbs were going off at once, creating a traffic jam that the police had to break up."
